To the Voters of the Third Appellate District of Kentucky:

Confiding my aspirations to the people, I ask and will thank them for their support. WM. E. RUSSELL,
Lebanon, Ky.

We are authorized to announce JUDGE JOS. H. LEWIS, of Barren, a candidate to fill the vacancy on the bench in the Third Appellate District, caused by the death of Chief Justice M. H. Cofer.

LOCAL BREVITIES.

Primary election Saturday.

Rains are becoming too numerous.

Go to J. L. Miller's to get fruit cans and stoves.

Threshing machines for sale by J. L. Miller.

Last Thursday was a scorcher, and no mistake.

Fruit cans, stoves, hardware and machine repairs at J. L. Miller's.

500 Men wanted Immediately.
C. W. CHESS.

Fat Cattle Wanted. I will pay a Higher Cash Price than any body. CHAS. LISHES.

The wind-storm of Saturday night did considerable damage to shade trees and fences in this vicinity.

J. L. Miller's is headquarters for reaping and mowing machines, hay rakes, fruit cans, stoves and tinware.

We would advise the Cannelton Journal man to use a little more P.P.P.C.U.S.H in his rythmical productions.

Tobacco has all been pitched in this county. An average crop was set, about two-thirds of which is White Burley.

The Rapid Transit's Sunday excursion to Owensboro was incontinently squelched by the heavy rains of the forenoon of that day.

"Cow Heel" was the scene of a first-class battle-royal last week, but not a whisper of it has yet reached the ears of the police court.

The hard rain of Saturday night knocked down a good deal of wheat, and likewise "knocked the stuffin'" out of the army worms.

Presiding Elder Scobee preached a most excellent sermon Sunday night to a large and attentive audience at the Elm street Methodist church.

Pure grape wines—Ives' Seedling and Concord—from the vineyard of Chas. Tinius; kept constantly on hand and for sale by W. T. MCGARY.

We are requested to notify the teachers of the county that Commissioner Mercer has received, and is ready to disburse, the school money for the month of May.

Bounteous rains and "harvest has commenced in earnest," is the sum of the intelligence that reaches us from all parts of the county.

Candidates are born triplets this year. We have three for the appellate judgeship, three for the state senate, and three for representative.

In the gid ly whirl of time, Hawesville took it into her head to have a scare Saturday, thinking that the world would come to an end. Judge Bush wasn't the little "bird" that told us, either.

In addition to the speaking, dancing, etc., at the Tar Springs on the 4th of July, the Cloverport Gymnasium will give an entertainment during the afternoon that we know will please our country cousins.

We have it from "good authority" that the Cannelton News used the mammoth double number of the Courier-Journal of last Friday to carpet their office. Certainly such extravagance as this is without parallel.

Mr. John W. Squires, living near Hardinsburg, shipped to Louisville last week two hogsheads of White Burley tobacco and sold them at the very handsome price of $17 and $10 per 100. The two hogsheads netted him something near $300.

The Gymnasium boys gave a very fair entertainment last Wednesday night to a good and appreciative audience. They have gone into rehearsal practice for a grand entertainment on the night of July 4, the proceeds of which will be devoted to the Baptist church.

We are requested to announce, for the benefit of the relatives and friends resident in this county of Mr. George Bandy, dec'd, that his funeral will be preached at his late residence in Meade county, on the first Sunday in July, at 11 o'clock a. m. by Elder F. M. Morris, of the Christian church.

Miss Bennie Harrison's school closed Monday. We are pleased to learn that this estimable young lady, however, will tarry yet awhile with us in order to complete her engagements with her music class; and, unless we are badly fooled, the chances are good for a certain young gentleman persuading her to abide with us always.

We understand that at least two of the candidates for the senatorial nomination next Saturday have been "treating" pretty freely during the canvass. This is certainly most reprehensible conduct—for it is corruption of voters in its meannest and most vulgar form—and unworthy of any one aspiring to the dignity of law-maker.

Tuesday evening Dr. Owen left his horse and buggy standing in the street, in charge of his little daughter, who was in the vehicle with him. During his absence the horse became frightened and ran down Second street, upsetting the buggy in front of Dr. Newsom's residence. The little girl was thrown out, but fortunately received no injury.

The many friends of Mr. Lafe Green, the genial candidate for the senatorial nomination, will be pained to learn that his bright little son Willis had one of his eyes shot out by an arrow, that was sped from a bow in the hands of a little playmate, one day last week. Willis is twelve years old, and is an unusually intelligent, handsome, and manly little fellow.

A note from our friend, H. C. Truman, received just as we are going to press, informs us of the death of the venerable William Perrin ("Uncle Billy," as every body affectionately styled him), which sad event occurred at his home near Garfield at 10:30 o'clock Monday morning. Mr. Perrin was aged about 88, and was a good and true man in all the relations of life.

We are indebted to our old friend, Mr. Chas. Tinius, for a gallon of his pure and unadulterated Ives' Seedling wine. We have heretofore recommended this excellent wine for its non-intoxicant qualities, and again take pleasure in calling the attention of those requiring a healthful stimulant, and especially invalids, to it. Mr. Tinius informs us that it will hereafter be kept on tap at Ballman's.

Saturday evening a disagreement occurred in Ballman's saloon, corner of Wall and Poplar streets, between Mr. Jim Lillard, of this city, and Brevet Brigadier-General George Head, of Owensboro, which culminated in a collision. Before any damage occurred, unappreciative bystanders laid the belligerents by the heels, dragged them to the door, and landed them in the street. It's awful hot weather, boys, for that sort of fun.

The Leffel Mechanical News, an illustrated journal of manufacturing, milling, mining and engineering, published at Springfield, Ohio, by James Leffel & Co., is not only the cheapest, but one of the best exponents of scientific mechanics published in this or any other country. It is a large 16-page paper, gotten up on the order of the Scientific American each number copiously illustrated, and published twice a month, at the exceedingly low price of $1 per year. Write the publishers for a specimen copy.

Death of Mrs. Thomas M. Green.

The Mayaville Eagle, of the 15th, contained the following obituary of the excellent wife of the distinguished editor of that paper, Mr. Thomas M. Green, which occurred very suddenly at their home near that city on the preceding Saturday. Mrs. Green was of historic Kentucky lineage, a lady of many and rare accomplishments, a favorite in society, a zealous Christian, a wife who was at once helpmeet, counsellor and friend to her husband, and a mother affectionate and wise. The following is the simple and beautiful tribute of the bereaved husband:

Died, near Maysville, on the morning of Saturday, June 12th, in the twenty-second year of her marriage and the forty-first of her age, Mrs. Nannie Butler Green, only daughter of the late Pierce and Eliza S. Butler, of Louisville, and the beloved wife of Thomas M. Green, of this city. In her early girlhood she united with the Presbyterian church, and died trusting in her Redeemer's blood; for though of a gay temper, charitable in her judgment of others, attaching little value to external shadows, she was always a God fearing and God loving woman, delighting in the offices of religion so far as permitted by her duties to her husband and children, and these she never neglected for any thing else. In her relations as wife, mother and daughter she demonstrated in its noblest forms the self-sacrifice of true womanliness.

A Nice Letter From Gen. Custis Lee to Cloverport's Boy Artist.

Several weeks ago we made mention of the admirable pen-portrait of the late Gen. Robt. E. Lee executed by Master Willie, the fifteen-year-old son of Dr. W. B. White, druggist, of our city. Willie framed and expressed the picture, with his compliments, to General G. W. C. Lee, son of the famous Confederate chieftain, and president of Washington and Lee University, at Lexington, Virginia. A few days ago he received the following charming letter of acknowledgment from that gentleman:

WASHINGTON AND LEE UNIVERSITY, LEXINGTON, VA., June 13.—My Dear Master Willie: I am very sorry that absence, illness, and the press of accumulated business since my return to duty here, have prevented me from sooner acknowledging your two letters of 29th April and 28th May, respectively, with the pen-drawing of my father which accompanied the first letter. The drawing is wonderfully good for one so young, and for a first attempt; and I accept it with my warmest thanks, and best wishes for your future success and happiness.

I wish there was an art school in this institution to which I could invite you; but, unfortunately, we have nothing of the kind now, and can not look forward to having one within a reasonably short time. If you are to make an artist of yourself, it is important that you should have good instruction at the outset, so as not to get accustomed to incorrect methods; and you should also have a good, liberal education.

Please accept my thanks, also, for your photograph, which I shall always prize. I enclose two photographs of my father—the one in uniform taken during the late war between the states, and the other taken here not long before his death. I also enclose a photograph of myself, taken here several years ago. Neither picture of my father is good; but they are the best I have just now. The one of myself is said to be good. Very truly yrs., G. W. C. LEE.
MASTER WILLIE B. WHITE.

STEPHENSPORT.

Farmers are preparing to harvest their wheat.

Miss Nannie Brashear, who has been teaching at Pewee Valley, has returned home to spend the summer.

John Flood, who was stabbed in the fracas at Tucker's Schoolhouse, is getting well.

Our court has not yet disposed of the parties engaged in the Tucker Schoolhouse fray.

Messrs. Brashear & Ragsdale are speaking of building a new house for their drug business. Success to them.

A boy about 13 years old was drowned in the river opposite this place a few days ago.

Mr. Weedman's son, in Lick Run Bottom, fell and broke his arm. He says Dr. Helm has fixed him up all right again, and he is out at play as usual.

There must be some unusual attraction here for the boys of Cloverport and Holt's Bottom, from the number and frequency of their visits. They must be Spark-ing.

The young gentlemen and ladies of your city and Holt's Bottom know how to entertain young ladies from abroad visiting the county.

The young gentlemen and ladies in the barrens propose a visit to the Mammoth Cave next month. They will take the "Sparks" with them to light up the way.

L. T. Roberts, Mrs. W. H. Dix, L. B. Helm, wife and daughter, attended the funeral of the venerable Mrs. Lowery, at Lewisport, this week. Mrs. Lowery was the last surviving child of the old pioneer, John Helm, who was for many years a citizen of this county.

Mr. Editor, what do you say to a road tax in this county? All must admit we need better roads. How are we to have them?

Whose business is it to take fallen trees out of public roads?

Our town trustees are preparing to drain our streets. A few good pavements would help.

Charlie Walker has opened a livery stable in our town. Charlie is a clever fellow, and persons patronizing him will find him a genial and polite gentleman. Advertise in the NEWS, Charlie, if you want to do a thriving business. SOMEBODY.

LAND OF GOSHEN.

We understand we are to have a great many visitors this Summer.

The late hard winds played sad hayoc with some of our farmers' wheat.

Mr. Lem Moorman, of Leitchfield, was in our vicinity last week.

Good attendance on last second Sunday at Goshen.

Miss Lillie Robertson is in Brandenburg, visiting friends and relatives.

Miss Amanda Dean left for Owensboro last week, to witness the nuptials of Miss Jessie Moorman and Mr. James Parrish. We understand that she also accompanied the bridal party to the cave.

Miss Bettie Webb is expected home soon, accompanied by her aunt and cousin from Missouri.

Miss Jennie Dean has returned from Owensboro. Her charming and lovely little friend, Miss Bettie Ford, came with her. Our boys hearts are gone.

Dr. John McCarty, wife and son, and Miss Bettie McCarty, of Whitesville, and Mrs. Flora Wortham, of Leitchfield, were the guests of Mr. Henry Dean last week.

Miss Nelia Dean has returned from Leitchfield, much to the delight of her many friends.

Miss Laura Crouch, of Louisville, is the guest of Hon. T. J. Lewis.

Miss Sallie Dean is visiting her sister, Mrs. Wood V. Wortham, in Leitchfield. Our girls will be scarcer than "hen-teeth" this summer.

Mrs. Kate Bennett, of Bewleyville, visited her old home not long ago.

Mr. Harry J. Moorman, wife and son, of Mayfield, Ky., are visiting friends and relatives in the neighborhood.

Mr. Richard Owen is expected home soon from Owensboro, where he has attended school for the last session.

Mr. Moses Bennett spent a few days in Bewleyville last week.

Misses Nelia Dean, and Mattie and Lillie Lewis, left last week on the James Guthrie bound for the Rocky Mountains, where they expect to spend the warm summer season. We are sorry to lose them from our social circle, and will gladly welcome them home in the fall.

Mr. John Owen can be seen wandering around and singing, "Where, oh! where, is mine little mustache; where, oh! where can it be?" Echo answers, "No whar."

A picnic at Sand Knob soon is talked of.

A cute little gentleman is visiting at Dr. R. L. Dempster's.

Our boys are preparing to attend the Hardinsburg fair again next fall. As one of the crowd was so successful, they all propose to bet on "Muggins Junior" this time.

Messrs. Bob and Ike Owen are going to Henry county soon with cattle. Surely must be some attraction there for Mr. Ike.

LOST.—Any one finding a stray mustache, of a whitish hue, will be handsomely rewarded by returning it to Mr. Will C. Moorman.

Any one passing the residences in this vicinity musn't think the spirits are gently rapping, or that some fellow is "bussing" his gal, for it is simply the inhabitants popping fleas—"only this and nothing more." They are such dear, familiar little creatures.

The NEWS is always a welcome visitor.

A workingman says: "Debt, poverty and suffering haunted me for years, caused by a sick family and large bills for doctoring, which did no good. I was completely discouraged until one year ago, by the advice of my pastor, I procured Hop Bitters and commenced their use, and in one month we were all well, and none of us have been sick a day since; and I want to say to all poor men, you can keep your families well a year with Hop Bitters for less than one doctor's visit will cost."—[Christian Advocate.

WINTERSMITH'S
Tonic Sirup
Or, IMPROVED CHILL CURE.

A Certain Cure for every form of Fever and Ague. The Cure is Permanent. The chill once broken will not return.

This preparation has all the virtues of quinine, without any of its disagreeable effects. All who have had Chills and Fever and have taken quinine, calomel or arsenic, (which are the principal ingredients of most of the medicines now in use) are aware that the medicines often leave the system in an unhealthy condition, making it more difficult to relieve it of their effects than of the original disease. Wintersmith's Improved Chill Cure leaves the system in a perfectly healthy condition, with no bad effects in any way to be worn off. Unlike chill remedies generally, it requires no purgative to be taken with it, the medicine itself acting gently and agreeably upon the liver and bowels, effectually removing the cause of the disease, not merely temporarily checking it.
